

WELCOME TO A PARTY WITH A DIFFERENCE!

Are you looking for something different for your party? We offer a range of party choices, with something for everyone - all at affordable prices!

All of our activity parties take place at Butchers Coppice Scout Campsite near Bear Cross - a 7½ acre outdoor activity centre in the heart of Bournemouth.

Each activity includes equipment and at least one instructor, depending on the activity, with the exception of the games room and outdoor play - these are self-supervised activities.

HOW MANY CAN TAKE PART?

All of our instructor-led adventurous activities are designed for groups of up to 12 participants.

WHEN CAN WE COME?

Most of our activities are available at any time, however, some are weather dependant.

Archery and Air Rifle Shooting parties are available at any time as these activities take place under cover or indoors – all other activities are only available in dry weather.

If your party is disrupted by the weather we can either give you a full refund or we will reschedule your booking.

The Gladiator Challenge, High All-Aboard, High See-Saw, Jacobs Ladder, Leap of Faith, Crate Stacking, Trampolines, Adventure Playground and Agility Trail are only available in daylight hours.

WHAT TO WEAR... your group should wear old outdoor activity clothing that you don't mind getting damaged or dirty – take the weather in to consideration... all participants must wear closed footwear - no flip-flops or open-toed footwear is allowed - please also remove any watches or jewellery from arms and ensure any loose upper clothing is tucked in and long hair is tied back... a declaration form needs to be completed on behalf of all **air rifle shooting** participants – this is available online or from reception

All bookings are subject to availability. We reserve the right to refuse admission to any individual, family or group and to curtail any use, without giving a reason. Activity bookings may be cancelled due to adverse weather conditions or for other safety reasons.

A responsible adult must closely supervise all members of the group at all times. You are responsible for checking outdoor play facilities prior to use to ensure that they are safe and reporting any damage or defects to staff immediately.
