## important points to note...

Volunteer instructors will be arranged in the weeks leading up to your birthday party. As we have no paid staff we cannot guarantee instructor availability so it may be necessary for us to arrange an alternative activity at short notice. We will do our best to accommodate your requests but reserve the right to offer an alternative if necessary.

All bookings are subject to availability. We reserve the right to refuse admission to any individual, family or group and to curtail any use, without giving a reason. Activity bookings may be cancelled due to adverse weather conditions or for other safety reasons.

A responsible adult must closely supervise all members of the group at all times. You are responsible for checking outdoor play facilities prior to use to ensure that they are safe and reporting any damage or defects to staff immediately.

Smoking, eating and drinking are not permitted in any activity areas. Smoking and consumption of alcohol is not allowed anywhere on the site in the presence of young people.
